It is because of people like you that we are able to fulfill our mission of “**meeting the critical needs of homeless children**”. Together, we can provide basic necessities and address immediate needs with dignity and compassion for the many infants, toddlers and students struggling to survive and overcome the most difficult of circumstances during their most precious years. Captain Hope's Kids now provides more than 45 homeless service agencies with diapers, wipes, toiletries, birthday boxes, school supplies, and clothing for more than 1,200 children who sleep homeless in North Texas each night. As the number of homeless families increases at an alarming rate, it is crucial that we continue to provide these supplies and are thankful for your support.

Distributing critical items to homeless children, birth-age to 17, allows homeless parents to devote more of their energy to activities that will help them to break out of homelessness, decreasing homeless families' dependence on community resources in the short- and long-term.

Captain Hope's Kids

- is proud to say that 87% of revenue went to our programs in 2008
- received and distributed 495,536 items in 2008
- provided \$640,490 worth of items for homeless children; of this \$474,450 was donated
- provided over **28,000 in education** items: back packs, school supplies, school uniforms

Your support plays an important role in our **meeting the critical needs of homeless children**, and we need your help by participating in our annual golf tournament.
